SIR

Referring to your letter No L 5939/M1 12-32-34 dated 13/14th March 1933, in the matter of granting 3 days' leave of absence to the Sweepers treating the same as if on duty, I have the honour to forward herewith a copy of the audit objection slip for reference, as desired therein

Regarding the information as to why and on what authority absence from duty is being permitted, I beg to submit that no orders are traceable on the subject but the time-honoured practice seems to have been based on the fact that the sweepers are not permitted to avail themselves of Sundays and holidays Further, the fact that they are subjected to the heaviest strain during festive seasons and the visits of distinguished persons into the City must have contributed to the practice being adopted

The permission is granted up to a maximum of 3 days in a month, when they fall ill

A copy of the Health officer's Memo on the subject is also enclosed

I have the honour to be,
Sir,
Your most obedient servant,

President

Adverting to Municipal Council Resolution No 291 dated 25-1-1933, sanctioning approval for 3 days absence from duty in a month to the sweepers and letter No L 5939/M1 12-32-54 dated 13/14th March 1933 from the General Secretary to Government to the President, City Municipal Council, Mysore, on the same subject I beg to enclose herein the audit objection slip and to state that so far as careful enquiries have been made in office, the practice for the last 30 or more years has been to allow this consideration to the sweeper Establishment in view of the fact that they are not entitled to avail any of the holidays granted by Government to the supeior staff The sweepers have invariably extra heavy work either when there are festivals, or during visits of distinguished persons to this City They are denied rest even on Sundays In fact the heaviest strain is thrown upon them when perhaps other people in the City enjoy a feast or a holiday It was under such circumstances and the peculiar kind of unclean work they are exposed to, a consideration has been shown to them up to a maximum of 3 days absence from duty when they happen to fall ill It has been difficult to trace out specific orders of any kind on the subject I am sure there would have been enough sanc ion for such a procedure when at first it was given effect to I request it may be kindly confirmed
